

While We Are Young

BGYO

Woah-oh-oh-oh-oh
Woah-oh-oh-oh

Woah-oh-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh

We dance around the pavement
We move our feet to feel the beat, oh
We forget the sadness
Give into forgiveness
While we are young
While we are young

We try to go far places
We drive along our biggest dreams
When we take a million chances, woah
While we are young
While we are young

Woah-oh
Just take control
Let yourself go
Go with the flow
Get ready for the show, oh-oh-oh-oh

Woah-oh-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh

Lead the way, oh
While we are young
While we are young

We sail across the hard times
Let's travel 'round
You can take my hand, oh
Run along the madness
Brave the city, sleepless
While we are young
While we are young

We rise above frustrations
Light up the night with broken smiles
But don't forget there's beauty
In all the pain and misery
While we are young
While we are young

Woah-oh
Just take control
Let yourself go
Go with the flow
Get ready for the show, oh-oh-oh-oh

Woah-oh-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh

Lead the way, oh
While we are young
While we are young
Yeah

Inhale, exhale
Brace yourself, set sail
Take one step, trailblaze
Don't look back, make way

Guns blazing, hearts racing
Don't stop 'til everything's amazing
Dream away, seize the day
Give it all you got this is your day
Go take a chance, go be the man
Or be forever young like Peter Pan
Doesn't matter as long as you go get it
But sometimes it don't matter if they don't get it

One day they will, what a sensation
Greatest of all time, standing ovation
No matter what they say go all the way
You only live once, go for hall of fame
Ooh...

Woah-oh-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh

Lead the way
While we are young
While we are young
