

Do It Like Me

Bhad Bhabie

Damn, Pliz
There go your tag

They tried to do it like this, so I did it like that
Real ass bitch, won't say shit back
If I ever took an L, we gon' run that back
I ain't stoppin' 'til it shoot or is me not that?
Tight jeans, got a lil' back out
Got a comb, had to put the lil' track up
Too close to me, you need to back up
Who you 'posed to be? Don't make me act up

Don't talk to me, talk to my CashApp
I'm still a petty ass bitch, I ain't past that
I'm still a bratty ass bitch, you can catch that
I'm still a gangsta ass bitch, where the mask at?

I got plenty jewels on my wrist
I got plenty dudes on my line
I got all this money to go get (Go get, go get, go get, go get)
Can't nobody do it like me (Do it like this)
Do it like me (Do it like this)
Do it like me (Do it like this)
Do it like me (Do it like this)
Can't nobody do it like me (Do it like this)
Do it like me (Do it like this)
Do it like me (Do it like this)
Do it like me (Do it like this)

Bad bitch, photogenic
Bust down, flooded Patek
Iced out, automatic
Lifestyle, gotta have it
Fendi on my fucking jacket
Wore it once, now you can have it
I ain't never been a' average
Trust me, I'm a fucking savage

You ain't never met a chick like me before
Got a whole lotta drip and a bankroll
Penthouse at the top where you can't go
I ain't got no time for no stank ho

I got plenty jewels on my wrist
I got plenty dudes on my line
I got all this money to go get (Go get, go get, go get, go get)
Can't nobody do it like me (Do it like this)
Do it like me (Do it like this)
Do it like me (Do it like this)
Do it like me (Do it like this)
Can't nobody do it like me (Do it like this)
