I don't need no receipts  
I see it, I own it, I play for keeps  
Don't tell me the price, don't matter to me  
What I spend in a day, you make in a week  
They keep going up like a money tree  
Shop in these deals like a money spree  
Can't give you the gang, gotta charge a fee  
Queen of rack city, give me the key  
I be like "Send me the addy"  
Hop out the Porsche with a baddie  
Got a nice face and a fattie  
Do what I say like I'm daddy  
Been out here killin' em  
Yeah, this chain cost 'bout a million  
Told y'all make me 'bout a billion  
Yeah, we see who outchea, really am  
Look, I don't got no crib, I got mileage  
I'm always on the jet like a pilot (you can't afford this life)  
Ace of diamonds move, yeah, I'm throwin' (throwin' hundreds)  
Money fallin' to the floor like it's snowin' (pick it up hoe)
