

4 Letters

B.I

It happened in a moment
Stars in our eyes burned out overnight, yeah
And I knew that we were broken
That doesn't make it easy to say it

Gone are the meant to be's
That live in our memories
I hope that's enough to get through
And I know you feel the same
So don't look at me that way
Your eyes are the size of the moon

Darling, don't cry
It's only goodbye
It happens sometimes
Don't be fooled just 'cause
Love is four letters
Don't mean it's forever
Don't mean it's forever no

Darling, don't say
It's never too late
This ain't a movie
Don't be fooled just 'cause
Love is four letters
Don't mean it's forever
Don't mean it's forever no

Jagiya sarangiran du geuljae
Uimireul buyeohaneun geon mumohae
Jikiji mothal sumaneun Promises
Sigani galsurok Everything's blurry
Annyeong jjalbeun insa dwie
Dangyeonhaetdeon urineun mangnyeonhaejigetji

Our love was criminal
Oh god damn
No I ain't cynical
But it's up in flames
Soon as I saw it your eyes, I knew it was over
Hand you the gun, why don't you take the shot oh well

Gone are the meant to be's
That live in our memories
I hope that's enough to get through
And I know you feel the same
So don't look at me that way
