

Keep Me Up

B.I

Bring your, bring your body
'Cause I get a feeling when around it
Ne songiri naege daeul ttae
Hollin deut choemyeone geollin geo gata

Tell me you feel it, feeling something
Know I've been away but I miss your loving
Sumsoriro chaeun bamui norae
Gipeun sarangeul wonhae To the morning

So into you
Girl, you got me in circles, circles
I don't wanna waste none
'Cause I know that time is of the virtue, virtue
I can barely sleep babe, need you with me
Geunyang nunbichi nareul jibaehae
Urideureul chwihae bunwigie
So whenever I'm home, don't you ever sleep

'Cause you keep me up, up
Bulkkochi P.O, uh
I'm just tryna love ya
Bulkkochi P.O, P.O, P.O
'Cause girl, you keep me up

Bami omyeon oerowo
Teong bin bameul chaewo jwo
Neoui momi geuriwo areumdapgo oerowo
And you know it, girl
The road always shows it
Leading back every moment
All I rlly want is this moment

So into you
Girl, you got me in circles, circles
I don't wanna waste none
'Cause I know that time is of the virtue, virtue
I can barely sleep, babe, need you with me
Geunyang nunbichi nareul jibaehae urideureun chwihae bunwigie
So whenever I'm home, don't you ever sleep

'Cause you keep me up, oh, oh, oh, oh
Bulkkochi P.O
I'm just tryna love ya
Bulkkochi P.O, P.O, P.O
'Cause girl, you keep me up

I've been trying, trying, trying
To keep in touch my darling, darling
Geu ipsure hwaljjakpin jangmi jangmi
Bulkkochi P.O, P.O, P.O
'Cause girl, you keep me up

Seoroga chukbok gatji witae witae banghwang kkeute nan
Nega pillyohae nae apeurodite (nae apeurodite)

I can barely sleep, babe, need you with me

Geunyang nunbichi nareul jibaehae
Urideureul chwihae bunwigie
So whenever I'm home, don't you ever sleep

'Cause you keep me up, oh, oh, oh, oh
Bulkkochi P.O
I'm just tryna love ya
Bulkkochi P.O, P.O, P.O
'Cause girl, you keep me up

I've been trying, trying, trying
To keep in touch my darling, darling
Geu ipsure hwaljjakpin jangmi jangmi
Bulkkochi P.O, P.O, P.O
'Cause girl, you keep me up

Bring your, bring your body
'Cause I get a feeling when around it
