I said, only stupid bitches stay glued to their phones at the club
How can I go for a jog when I'm still on a run
I'm lit in this bitch and I'm sprung and I'm gone
All hell break loose when I pop up ensemble
Everything, everywhere all at once
Put it on high that's my favorite song
She throwin' it back like it's early 2000s
How many 1-1-licks on mukkbang mama, a Michelin star
All hail
She bad, bad, bad, bad
Fuck it up for me one time
All the way from 305
You know how I hold it down
Hell, yeah
Throwin' it back back back back
How does it taste in your mouth
We bringing the hail out, ooh
We bringing the hail out, ooh
We bringing the hail out, ooh
