

# BIRTHDAY BEHAVIOR

Bia

Ah

Ah

Mi casa es su casa, boo  
I don't have regrets on that Casa Azul  
In the Lamb' truck and I'm on a hot pursuit  
Didn't mean to fall in love, but I'm off the book, uh

I like gifts, lil' nigga  
I like PJs on a heavy jet, lil' nigga  
Blow the cake, it's my birthday  
I could put your name on it, you like wordplay?

I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior

Mami, excuse me, what's your name?  
Déjame probar un poco de tu birthday cake  
Yo no iba a salir, diablo, but I'm glad I came  
¿Que viniste a joder? Baby, same

Pa' los que preguntan, estás en tu bad bitch era  
Solo trajo el face card, dejó la cartera  
Chauffeur, limousine, eso ya está afuera  
Honey, what you want? Yo no soy cualquiera

So blow out the candle  
Mami, estás too much to handle  
Rompe, baby, esa e' la actitud  
Pásame el Casa Blue, ah  
Hoy terminas en tu birthday suit

Dale, mami, es tu cumple'  
Peligroso este junte  
¿Que no vas a coronar? Eso e' embuste  
Ah, hoy tus deseos se cumplen (Mmm)

I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior

Boy, I got regrets, first night sex  
Things that you do for a piece and Pateks  
Everything I possess, man, I've been manifest  
Since I got a check, I'm not easily impressed

¿Quieres comer?  
Keep a secret, baby, you gon' have some fun here  
I'm too busy for a bitch just to go there  
And you gotta bring a gift if you come here (Yes)

I'm gonna regret this later  
But fuck it up, it's birthday behavior  
I'm gonna regret this later  
But fuck it up, it's birthday behavior

Ooh, what a fire  
Keep me goin'  
Through the night  
Take my time  
To decide  
You won't get this  
For the night  
For the night
