He under my comments, he taggin' my friends
I'm all on his body, I'm tatted on him
That dick got a curve, so of course I'ma spin
We fight, then we fuck, then we back bein' friends (Damn)
I'm back to my back, yeah, that's havin' revenge
I'm swervin' that body, cut him like a roof (Skrtrt)
I hurt your lil' feelings, I tell you the truth
I'm standin' on business, Chanelly my boots
I'm so on Bottega, I put it on you (Put it on you)
I'm like you, so you made me a muse
Should've blocked both of your numbers in Paris
I wish I listened and saved the embarrassment
Someone should thank me for makin' him relevant
Don't you ever insult my intelligence

I'll be a fool for you
I'll go crazy
Ooh, I'll burn this bitch right down right now
I'll go crazy (Crazy, crazy, crazy, crazy)
Don't make me do it (Crazy, crazy, crazy, crazy, crazy)

I hope you know you ain't safe when you with him
All my homeboys sayin' fuck these bitches

When you get drunk, you be rollin' the dice
