Visions he only have in his dreams
I'm a lucid bitch, but materialistic
Had to break a nigga pockets 'cause what I'm feelin' sadistic
In my own makeup, you bitches narcissistic (Uh-huh)
I'm not fuckin' with you bitches or your characteristics
Uh (I challenge you)
Twenty-six inch waist (Uh)
Small wrist, big face (What else?)
I'm the type to make 'em chase (What else?)
Run up that pape', tell 'em keep up the pace (What else?)
Uh, run up that pape', tell 'em keep up the pace (What else?)
I'm the type to make 'em chase
Run up that pape', tell 'em keep up the pace

Vamonos, I wanna take a vacay out in Mykonos
I'm seein' dollar signs, he lookin' like he seen a ghost
Undisclosed, frequentin' the places you would never go
I'm goin' anywhere alone because I keep it close
Listen, all we have in this life is decisions
I wanna party, he payin' to play
I could go miss like I'm a magician
He wanna spend it on me, I could stay

Uh, uh-huh
Uh-huh
What else?
What else?
What else?

What else?

Run up that pape', tell 'em keep up the pace
