

Already Gone

Bianca Ryan

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye

Even with our fists held high
It never would have worked out right
We were always meant for "do or die"

I didn't want us to burn out
I didn't come here to hurt you now
I can't stop

I want you to know
That it doesn't matter
Where we take this road
Someone's gotta go

And I want you to know
You couldn't have loved me better
But I want you to move on
So I'm already gone

Looking at you makes it harder
But I know that you'll find another
That doesn't always make you wanna cry

Started with the perfect kiss then
We could feel the poison set in
"Perfect" couldn't keep this love alive

You know that I love you so much
I love you enough to let you go

I want you to know
That it doesn't matter
Where we take this road
Someone's gotta go

And I want you to know
You couldn't have loved me better
So I want you to move on
So I'm already gone

I'm already gone, I'm already gone

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye

I want you to know
That it doesn't matter
Where we take this road
Someone's gotta go

And I want you to know
You couldn't have loved me better
So I want you to move on

So I'm already gone...

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye
