

And I Am Telling You I'm Not Going

Bianca Ryan

Ooooooooooh

And I am telling you i'm not going
Your the best friend i've ever known
There's no way I could ever go
No no there's no way
No no no no way
I'm living without you
I'm not living without you
I don't want to be free
I'm staying
And you you're gonna love me
Oooh ooh ooh oooh

And I'm telling you i'm not going
Although there are times I show it
There's just no way
There's no way

We're part of the same place
We're part of the same sound
We both share the same blood
We both have the same mind

And time and time
We've had so much to share
No no no no no no no
I'm not wakeing up tomorrow ha!
And finding that's there's nobody there

Darling there's no way
No no no no way
I'm living without you
I'm not living without you
You see that's so true
No way
There's no way

Take out the melody
And scream and shout
And you can say what you want
I'm not walking out today

Stop at the rivers
Push back and peel
I'm not gonna leave ya
There's no way
I will

And I am telling you i'm not going
Your the best friend i'll ever know
There's no way I could ever, ever go
No no there's no way
No no no no way
I'm living without you
I'm not living without you, not living without you
I don't want to be free
I'm staying, i'm staying

And you, and you, and you
You're gonna love me
Ooooooh ooh ooh ooh
You're gonna love me
Yes you are
Ooooh love me
Oooooooohh love me

Love me
Love me
Love me
Love me.....
