

Dream In Color

Bianca Ryan

Ooooh ooh ooh
I'm tired of living life
Black and white
There's so much in between
Like a rainbow in the sky
Waiting to be seen
When I open my eyes
To find inspiration
I search for the best I can see
If I settle for less
I won't be the best I can be

When I dream
I dream in color
So much
I want to discover
Somewhere I know there's a rainbow
Waiting for me

Life is short
I've been told
Time is a very precious thing
I want to go where
I've never been
And see what's never been seen
Wanna wake up each morning
I won't take for granted
There will always be another new day
Gotta live for each morning
Never let time slip away

Ohhhh
When I dream
I dream in color
There is so much
I want to discover
Somewhere I know there's a rainbow
Waiting for me
Yea

When my eyes are closed
I see the way to go
Feel so awakened alive
Ohhh oh
When I'm fast asleep
I still feel the beat
For the heart that's ready to fly
Ready to fly

When I dream
I dream in color
There is so much
Left to discover
I'm just beginning to set myself free
(set myself free)
It's clear to me now
What I believe

Somewhere I know there's a rainbow
Waiting for me
Yeah
Ohhh
