

Pray For A Better Day

Bianca Ryan

Pray for a bet-ter day
Ohhhhh
Pray for a bet-ter day

Sometimes it feels like nobody cares
Sometimes it feels like your the only one who's there

And I cry myself to sleep
And I wake up on my knees
And I pray for a better day

Sometimes it hurts so much more than I say
I try to keep it inside but I wear it on my face

When it feels like i'm falling
Feels like i'm falling
Ohhhh
That's when I pray
For a better day

I know it's there on the horizon
And it's just about to break
Tomorrow's coming around
Don't let today bring you down
All you have to do is have some faith
And pray for a better day

Pray for a bet-ter day
Yeah yeah

Just when I think that there's no where to go
Just when I think that i've hit my lowest low

And it feels like i'm crawling
Feels like i'm crawling
Oh that's when I pray
For a better day

I know it's there on the horizon
And it's just about to break
Tomorrow's coming around
Don't let today bring you down
All you have to do is have some faith
And pray for a better day

I wanna live a life full of meaning
(full of meaning)
I wanna make the world a better place
(A better place)
I wanna find my fairy tale
I'm waiting for my ship to sail
I wanna be who I can
Show them all who I am
Won't ever give up on the world

I'm gonna pray
For a better day

(for a better day)
And I know it's there
I know it's there
And it's just about to break

Tomorrow's coming around
Don't let today bring you down
All you have to do is have some
All you have to do is have some
All you oughta do is have some faith

(pray for a better day)
(pray for a bet-ter day)
Pray
For a better day
(pray for a bet-ter day)
Pray
You've got to pray
Ohhhh
(pray for a bet-ter day)
Won't you pray for a better day
Won't you pray for a better day
(pray for a bet-ter day)
Won't you pray for a better day
Ohhh baby
Ohhh baby
Ohhh
(pray for a bet-ter day)
Ohhh
(pray for a bet-ter day)
