

# Superstar

Bianca Ryan

Eh-oh, eh-oh, eh-oh

Baby take a look around (eh-oh, eh-oh, eh-oh)  
Feel the beat go through the croud (eh-oh, eh-oh, eh-oh)  
Flip the house light right on time now (shine now)  
Hit the spotlight let it shine now

There's something 'bout this  
Let's keep it moving  
And it's so good when the music is cooking  
Do you really wanna rock tonight  
I'll let you get connected now it feels so right

I don't know what it is  
That makes me feel like this  
I know I'm going far  
One day I'll be some kind of superstar  
And everyone will know no matter who they are  
(I'm gonna be a superstar)

Baby better stick around (eh-oh, eh-oh, eh-oh)  
Let me see you right out loud (eh-oh, eh-oh, eh-oh)  
Man I started gotta stop now  
Here I go right to the top now

Oh, There's something 'bout this  
Let's keep it moving  
And it's so good when the music is cooking  
Oh, Do you really wanna rock tonight  
I'll let you get connected now it feels so right  
(so right, so right)

I don't know what it is  
That makes me feel like this  
I know I'm going far  
One day I'll be some kind of superstar  
And everyone will know no matter who they are, yeah  
(I'm gonna be a superstar)

Maybe I'm only dreaming (eh-oh, eh-oh, eh-oh)  
I can feel the spotlight beaming (eh-oh, eh-oh, eh-oh)  
Fancy girls and lots of make-up (eh-oh, eh-oh, eh-oh)  
If I'm asleep don't wanna wake up

Let me hear you  
C'mon get a little crazy  
Am I  
Dreaming cause it's kinda hazy  
Hey (ohhh)  
It's all mine and I can taste it  
Stay  
Ohh it's my time and I can't waste it [2x]

I don't know what it is  
That makes me feel like this  
I know I'm going far  
One day I'll be some kind of superstar

And everyone will know no matter who they are,

I don't know what it is  
That makes me feel like this  
I know I'm going far  
One day I'll be some kind of superstar  
And everyone will know no matter who they are

Oh, I'll be a superstar  
I'll be a superstar
