

Bye Bye

Bianka (Бьянка)

I take your hand, I see your eyes
But I can feel love
You are my everything
You are my flesh and blood
But now my heart is broke

Bye bye bye bye my love
Bye bye bye bye my friend
You on another love
Bye bye bye bye my love

Now it's another day
Now it's another world
Where flowers cry and cry
I think of you every day & night
But your heart is not mine

Bye bye bye bye my love
Bye bye bye bye my friend
You on another love
Bye bye bye bye my love

Bye bye bye bye my love
Bye bye bye bye my friend
Bye my friend bye my friend
You on another love
You on another love
Bye bye bye bye my love

Bye bye bye bye my love
Bye my friend, bye my friend
Bye bye bye bye my friend, yea
You on another love
You on another love, another love
Bye bye bye bye my love, yea
