

## Clouds Prayer.

**Bibi Bourelly**

Like the sun behind the clouds  
Like the sun inside the sky  
May the sun shine down 'pon everyone alive  
May the sun shine down 'pon everyone alive  
May the sun shine down 'pon everyone alive  
May the sun shine down 'pon everyone alive  
(Look at the sun)

(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)  
(Look at the sun, look at the sun, sun)

(Hm-mm, hm-mm...)
