Bibi Bourelly

We ridin' 'round in the park
We ridin' 'round in the park
We ridin' 'round in the rain
We ridin' out in the dark
We ridin' 'round in the park
We ridin' 'round in the park
We ridin' 'round in the rain
We ridin' out in the dark

And I'm never gonna stop 'cause, bitch, I go so hard
One day I'm finna go far
I'm that shining star from the east coast
I'm never gonna stop 'cause, bitch, I go so hard
One day I'm finna go far
I'm that shining star from the east

Ooh-ee, opportunities
Coming to me
Opportunities
Out the blue sky
Out the blue
Oh, they're pouring
On me and you

We ridin' 'round in the park
We ridin' 'round in the park
We ridin' 'round in the rain
We ridin' out in the dark
We ridin' 'round in the park
We ridin' 'round in the park
We ridin' 'round in the rain
We ridin' out in the dark

And I'm never gonna stop 'cause, bitch, I go so hard
One day I'm finna go far
I'm that shining star from the east coast
I'm never gonna stop 'cause, bitch, I go so hard
One day I'm finna go far
I'm that shining star from the east
