I met a lil' girl named Sally boo down at the diner
She wore a polka dot dress and some high heel shoes
She was so fine, ah
And all the girlies hated, the fellas wanted to dated her
And all I could say to her was
Fuck all the haters
I say fuck all the haters

Let me see you rock lil' Sally
Let me see you rock lil' Sally
Let me see you pop lil' Sally
Let me see you pop lil' Sally
Let me see you twerk lil' Sally
Let me see you work lil' Sally
Let me see you twerk lil' Sally
Let me see you work lil' Sally
