Tell them to come in
Why are your eyes cast down
I'll keep it a secret
Your corruption and sin
Reveal everything
Coveting my place
I'll turn a blind eye
Your nature and brain
The crown that's completed by breaking off
The dancing rose is mine
A castle with thorns so that they can never come near

Watch me dance
Watch me sing
I'll let you go up to here
Run away quickly
Watch me dance
Watch me sing
Don't ever get caught again
You'll then see
The bad bitch

Bad bitch, just a real bad bitch
Bad bitch, just a real bad bitch
Bad bitch, just a real bad bitch
Don't ever get caught again
You'll then see
The crazy bitch

I got mercy I got grace
Desperado with the scales
Throw a rose on your body
Mask of Zorro, I'm so wanted
Grab me and break me off
Wet the wounded hand
Look scared
I'll embrace you and take care of you
I'll wash you with alcohol and forgive your sins

Watch me dance
Watch me sing
I'll let you go
Run away quickly
Watch me dance
Watch me sing

Don't ever get caught again
You'll then see
The bad bitch

Bad bitch, just a real bad bitch
Bad bitch, just a real bad bitch
Bad bitch, just a real bad bitch
Don't ever get caught again
You'll then see
The crazy bitch

It doesn't matter what you did, what you say what you regret
I forgave you for breaking me down and treading on me
Too bad you lost your last chance
I've been waiting and anticipating, to be a bad bitch

Bad bitch, just a real bad bitch
Bad bitch, just a real bad bitch
Bad bitch, just a real bad bitch
Don't ever get caught again
You'll then see
The crazy bitch
