

Birthday Cake

BIBI

Nobody told me I can have the whole chocolate
So I fed it to my buddy

Nobody told me I get grands for hour and half
So I sold it for one hunnit

Yeah I allow myself to lose it
To lose it
Allow myself to lose it
Yeah allow myself to lose it
To lose it
Allow myself to lose it

Cause I sold it for one hunnit
Sold it for one hunnit
I sold it for one hunnit
Yeah I allow myself to lose it

Nobody told me I can taste my own birthday cake
So I kept it in my closet

Nobody told me I can throw myself to doomsday lake so I let myself go lose it
I couldn't allow myself to lose it

To lose it
Allow myself to lose it
No I couldn't allow myself to lose it
To lose it
Allow myself to lose it

Cause I kept it in my closet
Kept it in my closet
I left it in my closet

Couldn't allow myself to lose it
