Wet Nightmare

BIBI

Pop champagne all night
Put the chandelier up high
Bodies on my bed
All my baddies gonna up all night, hah, hah-hah-hah-hah
Bang, hard to say goodbye
You were my favorite thing 'til now
Bodies on the deck
Cold water is up your neck
Least loved will be there say, "Hi"

Baby, tell me why
You keep showing up in my dream
Maeil bam neoreul chatdeon geu sigane

Oh-oh, oh-oh, oh-oh, oh
In my wet nightmare
Oh-oh, oh-oh, oh-oh, oh
Visit my wet night terror

Love got me haunted
Got me trapped in
Baby, got me stuck inside your heart
Your body got me drownin'
Got me soakin'
Baby, got me stuck inside your heart
You're pretty even dyin'
Even ghostin'
Pretty even 'cause you broke my heart
Love got you haunted
Got you trapped in
Baby, got you stuck inside my heart

Baby, tell me why
You keep showing up in my dream
Maeil bam neoreul chatdeon geu sigane

Oh-oh, oh-oh, oh-oh, oh
In my wet nightmare
Oh-oh, oh-oh, oh-oh, oh
Visit my wet night terror
