when my instinct hit me bad
crying like some pussy cat on the bed
and when my instinct hit me sad
mess around with this whole town
cuz I'm fucking mad

when my instinct hit me bad
crying like some pussy cat on the bed
and when my instinct hit me sad
mess around with this whole town
cuz I'm fucking mad

they wanna kill me and have me
at the same time
I'm the unlucky charm in this lil town
they might try to get rid of me in daylight
but they're crowling inside my bed
when night comes

when my instinct hit me bad
crying like some pussy cat on the bed
and when my instinct hit me sad
mess around with this whole town
cuz I'm fucking mad
