BIBI

I need you

When my instinct hit me bad  
Cryin' like some pussy cat on the bed  
And when my instinct hit me sad  
Mess around with this whole town  
'Cause I'm fucking mad

Nuni dora hwaga na na na  
Geoul soge bichin nan nan nan  
Baereul goleun sanjimseung manyang  
Sumeul goreune, huh-huh-huh

Naega georiro nagal ttaemada  
Saireni ullyeo peojigo  
Jangchongeul chan jeoleun namjan  
Nal japgetdamyeo tteong tteong tteong

When my instinct hit me bad  
Cryin' like some pussy cat on the bed  
And when my instinct hit me sad  
Mess around with this whole town  
'Cause I'm fucking mad

They wanna kill me and have me  
At the same time  
I'm the unlucky charm in this lil town  
They might try to get rid of me in daylight  
But they're crowlin' inside my bed  
When night comes

When my instinct hit me bad  
Cryin' like some pussy cat on the bed  
And when my instinct hit me sad  
Mess around with this whole town  
'Cause I'm fucking mad

And when my instinct hit me sad
