

A bare branch on the last trip saved  
Filament, sediment  
A torn strip on the coach seat  
Anchoring sentiment  
A bent spring on the ash trunk there  
Utterly utter-less  
A lie told on the car park  
Daffodil definite

A bridge lost in the darkness  
Cigarette torchlight  
A fleece tuft on the wire  
Waving, soundless  
A paw-print on the tin rooftop  
Flowerpot, sunspot  
A cygnet on the bank there  
Dedicate, delicate

A torn strip on the coach seat  
Anchoring sentiment
