

## Cinnamon Cinematic

Bibio

Got a light?  
I don't carry  
Candle glow  
As bright as Barry

Cinnamon cinematic  
Sing along  
It's automatic

See them all valentining  
Vagabond, check your timing

Cinema for your body  
Visigoth, shake your body

Tag along  
I don't follow  
Run along  
It's not tomorrow

I don't want to see them land  
Visigoth, shake my hand

Sycamore silhouetting  
Vagabond, check your setting

Cinnamon for your eyes  
Visigoth, check your guise
