

# Make Up

Bibio

Gotta make up your mind, yeah  
Gotta make up your mind, no  
Gotta make up your mind, yeah  
Gotta make up your mind, no  
Gotta make up your mind, yeah  
Gotta make up your mind, no  
Gotta make up your mind, yeah  
Gotta make up your mind, no

Lovin' you, lovin' me, it don't mean a thing  
If you don't know what you want  
Gotta make up your mind  
Gotta make up your mind  
You can say what you want, but if you can't do it  
Then you're lost before you start  
Gotta make up your mind  
Gotta make up your mind, yeah

Lovin' you, lovin' me, it don't mean a thing  
If you don't know what you want  
Gotta make up your mind  
Gotta make up your mind  
You can say what you want, but if you can't do it  
Then you're lost before you start  
Gotta make up your mind  
Gotta make up your mind, yeah

"Brand new" ain't nothin' but words  
What you gon' do to prove it?

Interested in what you playin'  
Shakin' yo bones in the closet  
track is the sound of pressure  
Measure in the glass of a whiskey  
Bottoms up to the world beyond, to let it go

Gotta make up your mind, yeah  
Gotta make up your mind, no  
Gotta make up your mind, yeah  
Gotta make up your mind, no

Lovin' you, lovin' me, it don't mean a thing  
If you don't know what you want  
Gotta make up your mind  
Gotta make up your mind  
You can say what you want, but if you can't do it  
Then you're lost before you start  
Gotta make up your mind  
Gotta make up your mind, yeah

Lovin' you, lovin' me, it don't mean a thing  
If you don't know what you want  
Gotta make up your mind  
Gotta make up your mind  
You can say what you want, but if you can't do it  
Then you're lost before you start  
Gotta make up your mind

Gotta make up your mind, yeah
