I'm to, my life, I think I am  
I'm to, my life, I think I am  
I'm to, my life, I think I am  
I'm to, my life, I think I am

Find somebody else, just like you  
Find somebody else, just like you  
Find somebody else, just like you  
I'm to, my life, I think I am  
I'm to, my life, I think I am  
I'm to, my life, I think I am  
I'm to, my life, I think I am
