

Just Got Started

BiC Fizzle

(Ace Bankz on the track)

I'm just gettin' started, I ain't even got off yet (I ain't even got off yet)
Bro 'nem in the steamer, burnin' rubber through the projects (Burnin' rubber through the projects)
Narcs on the block, still in motion, I'ma serve you (Serve)
Never seen a ki', but I can show you what a bird do (I can show you what a bird do)
Plus I got a killer for your killer, I can bury you (Bury)
If this a marathon, then I'm 'bout thirty laps ahead of you (Thirty laps ahead of you)
Hope a nigga see me, won't take off the latex (Ayy, look)
She ain't worth a penny, so I nutted where her face at (So I nutted where her face at)

I told myself I can't back to dead broke (I can't go back to dead broke)
Know life a gamble, big racks out the railroad (Get racks out the railroad)
Shoot at me and miss, I'm killing you, that's what his head for
Murder business, can't get you, I'm aiming at your kinfolk (Aiming at your kin)
I ain't got a hand free, know that I can't lend you (I can't lend you)
I come from the bottom, so it's possible you can too (Possible you can too)
Bro comin' in, got the traffic all backed up (All backed up)
Stopped going to church, I seen my uncle turned to pastor (I seen my uncle turned to pastor)
Ayy, how many you got for me? (How many?) I can move 'em faster (Move)
Telegram got these niggas feelin' like they trappers (Moving like a rapper)
Still taking risks on the highway, I'm sticked up (Sticked up)
Hit her with the O, a double round, so you can't sense nothin' (Phew)
These niggas won't let nobody die, they just actors (Actors)
I'm on ten with any nigga, I'm not a capper (I'm not a capper)
Got so many guns, 'll turn this city to a massacre (To a massacre)
How you in the streets, but the police? You niggas backwards (How?)
Hey, I can't go for anything (Huh?)
Bought the trap a wedding ring
Got so many diamonds, it looked like I robbed Johnny Dang
My dog gon' step for me, make me let him off the chain
Probably want me gone, but I'ma shoot, so they ain't never played
Know I'm strapped up with that switch while I'm on stage
Nigga better not sneak me, I'ma rip him like a Beyblade
Ayy, quick to pull this stunt and turn a nigga ass to Casper
Still be with my bat, but mixin' purple with my Minute Maid

I'm just gettin' started, I ain't even got off yet (I ain't even got off yet)

Bro 'nem in the steamer, burnin' rubber through the projects (Burnin'
rubber through the projects)
Narcs on the block, still in motion, I'ma serve you (Serve)
Never seen a ki', but I can show you what a bird do (I can show you w
hat a bird do)
Plus I got a killer for your killer, I can bury you (Bury)
If this a marathon, then I'm 'bout thirty laps ahead of you (Thirty l
aps ahead of you)
Hope a nigga see me, won't take off the latex (Ayy, look)
She ain't worth a penny, so I nutted where her face at (So I nutted w
here her face at)
