

## Sway

Bic Runga

Don't stray, don't ever go away  
I should be much too smart for this  
You know it gets the better of me

Sometimes, when you and I collide  
I fall into an ocean of you, pull me out in time  
Don't let me drown, let me down  
I say it's all because of you

And here I go, losing my control  
I'm practicing your name  
So I can say it to your face  
It doesn't seem right to look you in the eye

Let all the things you mean to me  
Come tumbling out my mouth  
Indeed it's time to tell you why  
I say it's infinitely true

Say you'll stay, don't  
Come and go like you do  
Sway my way, yeah  
I need to know all about you

And there's no cure and no way to be sure  
Why everything's turned inside out  
Instilling so much doubt

It makes me so tired, I feel so uninspired  
My head is battling with my heart  
My logic has been torn apart  
And now it all turns sour  
Come sweeten every afternoon

Say you'll stay, don't  
Come and go like you do  
Sway my way, yeah  
I need to know all about you

Say you'll stay, don't  
Come and go like you do  
Sway my way, yeah  
I need to know all about you

It's all because of you  
It's all because of you

Now it all turns sour  
Come sweeten every afternoon  
It's time telling you why  
I say it's infinitely true

Say you'll stay, don't  
Come and go like you do  
Sway my way, yeah  
I need to know all about you

Say you'll stay, don't  
Come and go like you do  
Sway my way, yeah  
I need to know all about you

It's all because of you  
It's all because of you  
It's all because of you
