

## If I

**Bif Naked**

have you heard da news, today?  
i left you in the dust, and that's where you'll stay.  
you never mattered anyway.  
you don't really know how to play the game.

if i shed my skin, i won't feel:  
(if i shed my skin)  
if i close my eyes, i won't see you:  
(if i close my eyes)  
if i cover my ears and i won't hear:  
(if i close my ears)  
i shut my mouth and i won't tell  
the truth.

you have a venomous tongue.  
you deserve an iron lung:  
you're spending your time obsessing -  
and your hate will not ever let you be:

if i shed my skin, i won't feel:  
(if i shed my skin)  
if i close my eyes, i won't see you:  
(if i close my eyes)  
if i cover my ears and i won't hear:  
(if i close my ears)  
i shut my mouth and i won't tell  
the truth about you:
