

Raging Inside

Bif Naked

I'm hungry. I'm an animal.
Linger over truth
Nothing, nothing at all
Nothing I can do
I never stop dreaming
I'm suffering
Deliver me from the pain

I will not be afraid
No I will not be ashamed

Raging inside (Raging inside)
Raging inside (Raging inside)
This is my life (This is my life)
I'm out of time (I'm out of time)
Nobody can hear me
Nobody come near me
I'm raging inside
I'm raging
I'm gonna blow

In chaos, I'm vanishing
Uncontrollable
This is my only truth

I will not be afraid
No I will not be ashamed

Raging inside (Raging inside)
Raging inside (Raging Inside)
This is my life (This is my life)
I'm out of time (I'm out of time)
Nobody can hear me
Nobody come near me
I'm raging (Just to survive)
I'm raging (There's a pain down inside)
Somebody help me please

Raging inside (Nobody's gonna)
Raging inside (Nobody's gonna)
This is my life (Nobody's gonna)
I'm out of time
Nobody's gonna tell me (No!)
Nobody's gonna try and hurt me!
Nobody's gonna keep me down (No!)
Nobody's gonna use, abuse me!
Nobody's gonna make me!
Nobody's gonna find and take me!
Raging inside
I'm raging
I'm gonna blow
