

## Creative Burns

Biffy Clyro

She ain't a girl  
She ain't a girl  
She's just a fucking disco  
Give it a whirl  
Give it a whirl  
This is all that I wish for  
Greed is for fun  
Greed is for fun  
Greed's just a sinking submission

Goddamn you all, you bastard sons  
Forgiveness is gone, you're hanging on

Creative burns  
Creative burns  
Creative burns in a dick show  
Cultural sons  
Cultural sons  
Cultural sons of Scotland  
Spread by a world  
Spread by a world  
Spread by a worldly ???

Goddamn you all, you bastard sons  
Forgiveness is gone, you're hanging on  
Cradled that heart, my sister's son  
Forgive me father, I have sinned

Forgive me father cause  
I've ??? gone astray  
Up hills and down in holes  
It's where I've always been  
Business is done  
Our business is done  
They ask, so I ??  
But I saw the sun

Forgive me father cause  
I've ??? gone astray  
Up hills and down in holes  
It's where I've always been  
Business is done  
Our business is done  
They ask, so I ??  
But I saw the sun
