

Errors In The History Of God

Biffy Clyro

We are trolls
In this universe we're trolls
Happy just to torch shit
Born to scorch all homes

That's not why we came here
That's not what this is for
Can you find an answer
To this question that's so poor?

That's why I'm so eager to explore
Even if I dream a little dream
Even if I've fallen close to God
There's a mystery at large
And the story should be beautiful
We're just another species to explore

In this symphony of God
I know that it's horse shit
Just something to applaud

That's not why we came here
That's not what this is for
Can you find a punchline
To this comedy so poor?

That's why I'm so eager to explore
Even if I dream a little dream
Even if I've fallen close to God
There's a mystery at large
And the story should be beautiful

We're just another species to explore
I'm ready to explode
I've fallen close to God
There's a mystery at large
And the story should be beautiful
We're errors in the history of God

That's why I'm so eager to explore
Even if I dream a little dream
Even if I've fallen close to God
There's a mystery at large
And the story should be beautiful

We're just another species to explore
I'm ready to explode
I've fallen close to God
There's a mystery at large
And the story should be beautiful
We're errors in the history of God
