

# Machines

Biffy Clyro

**Em G C D G C**

**G C**  
I would dig a thousand holes to lay next to you  
**Emi D C**  
I would dig a thousand more if I needed to  
**G C**  
I look around the grave for an escape route of old routines  
**D G C**  
There doesn't seem to be any other way

**Emi G C**  
Cause I've started falling apart I'm not savouring life  
**D G C**  
I've forgotten how good it could be to feel alive

**G C**  
Crazy as it sounds you won't feel as low as you feel right now  
**Emi D C**  
At least that's what I've been told by everyone

**D G C D**  
I whisper empty sounds in your ear and hope that you won't let go

**Emi G/C**  
Take the pieces and build them skywards

**Emi G C**  
Cause I've started falling apart I'm not savouring life  
**D G C**  
I've forgotten how good it could be to feel alive
