

Slurpy Slurpy Sleep Sleep

Biffy Clyro

Slurpy, slurpy, sleep, sleep
Slurpy, slurpy, sleep, sleep
Slurpy, slurpy, sleep, sleep
Slurpy, slurpy, sleep, sleep

I fear the world
Brothers and sisters repent
Or we're gonna fall
Like a sparrow dropped from its nest
We'll plummet or fly

Life is a sad song
We only hear once
Please give it all that you've got
Before the rhythm stops

My knuckles burn white
The beads turn to ribbons on my chest
My stomach will burst
How do I get out of this mess?
Pain comes and goes

Life is a sad song
We only hear once
Please give it all that you've got
Before the rhythm stops

Before the rhythm stops
Before it ends
Please give love to everyone
Give love to everyone
Before you burn your words
Please don't pretend
Just love everyone
Just love everyone

Before the rhythm stops
Before it ends
Please give love to everyone
Give love to everyone
Before you burn your words
Please don't pretend
Just love everyone
Just love everyone

Don't you waste your life
Love everybody
Love everybody

Don't you waste your time
Love everybody
Love everybody

Slurpy, slurpy, sleep, sleep
Slurpy, slurpy, sleep, sleep
Slurpy, slurpy, sleep, sleep
Slurpy, slurpy, sleep, sleep
