

Long Distance

Big 10-4

You arrived at my doorstep, brought in with the tide,
You told them that you're coming, but I bet you lied,
Mr. Distance couldn't chain you down, but you know he'll try,

And now I'm falling for you that's the best I can do because I'
m clumsy,
I wanted to wait, then I got a taste, now I'm hungry,
I wanted to be what you think you see, but I'm nothing,
Then I caught a glare in your two-
second stare now I'm something,
And now I'm falling for you that's the best I can do because I'
m clumsy,
I wanted to wait, then I got a taste, now I'm hungry,
Oh no, oh how you came alive,
Underneath all that you are, all of the candlelight
