

2000 Shoes

Big Audio Dynamite

Phillipine star greedy girl
Took the money to buy the world
First a little then the lot
Others` needs where soon forgot
Heard you like a love song
This here one is just for you
In keeping with your taste we hope
It`s called 2000 shoes

Never had a conscience
Or any moral views
Even any kins of taste
Just 2000 shoes
If I had the world to sell
Could strike a deal with you
I know you haven`t got the cash
Just 2000 shoes

Catwalk at the embassy
Supplied by human rights
Qadahafi and George Hamilton
Mao Tse Tung and disco lights

Never had a conscience
Or any moral views
Even any kins of taste
Just 2000 shoes
If I had the world to sell
Could strike a deal with you
I know you haven`t got the cash
Just 2000 shoes
2000 shoes

Phillipine star greedy girl
Took the money to buy the world
First a little then the lot
Others` need where soon forgot
Heard you like a love song
This here one is just for you
In keeping with your taste we hope
It`s called 2000 shoes

So here it is Imelda
Sorry it`s the blues
Would have done it different
If I were in your shoes

Never had a conscience
Or any moral views
Even any kins of taste
Just 2000 shoes
If I had the world to sell
Could strike a deal with you
I know you haven`t got the cash
Just 2000 shoes
2000 shoes
