

Baby, Don't Apologise

Big Audio Dynamite

I stand and sing, hit wood and string
Like many men before
I try my best and with the rest
Know what I'm going for

Baby, don't apologize
Never had regrets
Wait until eternity
Sorry, you won't get

I'm standing here, a target clear
My head is in the stock
It rains refuse, some shout abuse
And others throwing rocks

Baby, don't apologize
Never had regrets
Wait until eternity
Sorry, you won't get

What it is is what it is
Not what it could be

What you see is what you get
Without apology

What I am is loud and clear
For all to see, for all to hear
For what I am ain't no excuse
I tried to change but it's no use

Baby, don't apologize
Never had regrets
Wait until eternity
Sorry, you won't get

Baby, don't apologize
Never had regrets
Wait until eternity
Sorry, you won't get

Baby, don't apologize
Never had regrets
Wait until eternity
Sorry, you won't get
