### Big Audio Dynamite

Why don't you play the tune now?  
I don't like music  
Come on you little geezer  
You'll look funny when you're fifty

Somebody I never met but in a way I know  
Didn't think that you could get so much from a picture show  
Man dies first reel  
People ask what's the deal?  
This ain't how it's supposed to be  
Don't like no aborigine

Took a trip in Powis Square  
Pop star dyed his hair  
No fans to scream and shout  
When mobsters came to flush him out  
Gangland slaying underground  
New identity must be found  
On the left bank for a while  
Insanity Bohemian style

Ritual ideas relativity  
Only buildings, no people prophecy  
Time slide, place to hide, nudge reality  
Foresight, minds wide, magic imagery, oh-ho

Met a dwarf that was no good  
Dressed like little Red Riding Hood  
Bad habit taking life  
Calling card a six-inch knife  
Ran off really fast  
Mumbled something 'bout the past  
Best sex I've ever seen  
As if each moment was the last  
Drops of blood, colour slide  
Funeral for his bride  
But it's him who's really dead  
Gets to take the funeral ride

Ritual ideas relativity  
Only buildings, no people prophecy  
Time slide, place to hide, nudge reality  
Foresight, minds wide, magic imagery, oh-oh, oh-ho, oh-ho

You know, I don't think I'm gonna let you stay in the film business

I like a bit of a cavort  
I don't answer solicitor's letters  
I apply a bit of pressure

Space guy fell from the sky  
Scratched my head and wondered why  
Time slides into time  
Across international dateline  
Scientist eats bubblegum  
Hall of fame, baseball  
Senator's a hoodlum

Big chiefs in the hall

Ritual ideas relativity  
Only buildings, no people prophecy  
Time slide, place to hide, nudge reality  
Foresight, minds wide, magic imagery, oh-ho

Stray thoughts fear to tread  
Placed upon the screen instead  
She's my flame too hot to hold  
Had to settle for her cold

Bloodlust, Greek god, gold discovery  
Gone bust, tight wad, slow recovery  
Axe job, flame thrower, iron bar and gun  
Betting shop, new owner, a walk in the sun

Ritual ideas relativity  
Only buildings, no people prophecy  
Time slide, place to hide, nudge reality  
Foresight, minds wide, magic imagery, oh-ho

Spread the news: the Maestro's back  
With a beat-box soundtrack  
The King of brains - Queen of the sack  
Executives have heart attack  
It's assault course celluloid  
The money makers would avoid  
Sometimes notions get reversed  
Centre of the universe

Ritual ideas relativity  
Only buildings, no people prophecy  
Time slide, place to hide, nudge reality  
Foresight, minds wide, magic imagery, oh-ho, oh-ho, oh-ho, oh-ho
