

Innocent Child

Big Audio Dynamite

Live for yourself
Today or tomorrow
Look after your health
Forget all your sorrows

I`d wish I could`ve seen you
When you could run wild
I would`ve liked to know you
As an innocent child
Innocent child

It`s never to late
For you to do
You don`t have to wait
For the sun to go through

I wish I could`ve seen you
When you could run wild
I would`ve liked to know you
As an innocent child
Innocent child

I know a way
Of sipping the truth
Go back to the days
Before your youth

I wish I could`ve seen you
When you could run wild
I would`ve liked to know you
As an innocent child
Innocent child

Innocent child
Innocent child
Innocent child
Innocent child

I wish I could`ve seen you
When you could run wild
I would`ve liked to know you
As an innocent child
Innocent child

As an innocent child
Innocent child
Innocent child
