

Heard the news about the scare in the underwear  
Population's getting thin, forget the bomb, its carnal sin, yeah  
Marriage up, divorce is down, no one wants to fuck around  
Save the rose, reject romance, Micky Mouse don't drop his pants

Now to se\*\*\*\* relations better take a wife  
Now that sex is death, better lead a boring life  
No time for social kissing, you'll hardly raise a smile  
When you think what you'll be missing, iron undies back in style

Now where did it start and where will it end?  
Be nice to the wife, can't trust your friends  
Masculine natural nowadays can offend  
Never gonna fall in love again  
No no no

Seems like only yesterday, cocaine and ecstasy  
Run around and jump on anything you see  
A marriage of convenience, saw a doctor went abroad  
Saved up a few pennies, ran the wheelchair down to Lourdes

Now handsome is as handsome does and I did it everywhere  
Before the current era I didn't have a care  
Bloodstream destination, megavitamin therapy  
Artificial insemination, D.I.Y. vasectomy

Oh spaceman, junkfood Dallas, the 20th century  
Two World Wars, a Great Depression, this must be Germ War III

Now where did it start and where will it end?  
Be nice to the wife, can't trust your friends  
Masculine natural nowadays can offend  
Never gonna fall in love again  
No no no

No need for alimony 'cause no one wants to split  
Leisure times a gamble, but jogging keeps you fit  
Now I packed my bags for China, join the yellow race  
Nostradamus had a theory, they're inheriting the place

Blamed it on the Haliens, C.I.A, and KGB  
A.R.C. light a shining down on monogamy  
New date really hard, promiscure? Change your views  
Unless you got a health card, take a tip from Howard Hughes

Oh Trocadero transfer, I-Beam closet scene  
Cat and mouse with the press, exposé celebrity

Now where did it start and where will it end?  
Be nice to the wife, can't trust your friends  
Masculine natural nowadays can offend  
Never gonna fall in love again  
No no no

The tramp of time continues, en masse to wedding bells  
But they haven't made no breakthrough to helper T. white cells  
Wholesale Hyper wipe out, technology against the pest

Put away those etchings, sorry baby no contest

Notches and phone numbers, collection flesh as pelts  
Stealing cancers thunder, blows below the belt  
Oh don't it make you wonder 'bout how the cards are dealt  
Holy cow

Now where did it start and where will it end?  
Be nice to the wife, can't trust your friends  
Masculine natural nowadays can offend  
Never gonna fall in love again
