

## What About Love?

Big Audio Dynamite

Nothing you do or you receive  
Makes up as a grown up for what a child need

Struggle to fill the need for love  
Struggle against the need for love

So these are the kids of today  
Can't we come up with a better way  
Equal oportunities destroyer  
I'll meet you at 7 in the Foyer

Struggle to fill the need for love  
Struggle against the need for love

I'm schizophrenic manic depressive  
Kids of today surely are aggressive  
An alca/shoppa/workaholic  
Most of music's really chronic

Struggle to fill the need for love  
Struggle against the need for love

Kurt Cobain, Edvard Munch "Scream"  
Back in town with all life's dream

Struggle to fill the need for love  
Struggle against the need for love

Struggle to fill the need for love  
Struggle against the need for love

Just can't stop the muzak, keeps on coming  
This stewed coffee's really something  
Now they say it, but they just don't know it  
Yeah, they say it, don't know how to show it
