Big Time Operator

Big Bad Voodoo Daddy

I like to sneak a drink and roll my smoke You see I like my collars pressed I wear big ol hats and fancy ties As and I hang late with my friends

I can take it on the chin with a Cheshire grin I'm a sinner V.I.P You know I like mixed drinks I likes what I thinks I think you know just what I mean

You know that heroes and legends are one and the same It's a how you play the game You see, I'm no fool I'm from the old school Its the fire from the flame

I like a big ol car, and fine cigars You know I'll pick your pockets clean I'm a snake-eye rollin', big league bowlin' And I clean up on the green

I got the Jack, the Ace, the King and Queen You know I like my women mean 'Cause I'm a big time operatin' Never ever hesitatin' sinner V.I.P
