

It's Lonely At The Top

Big Bad Voodoo Daddy

I've been around the world Had my pick at many girls You'd think I'd be happy But I'm not

Everybody knows my name But it's just a crazy game Oh, it's lonely at the top

Listen to the band They're playing just for me Listen to the people Paying just for me

(All) of your boasts and all the parades And all the money that I have made Oh, it's lonely at the top (Oh yes, it is)

Listen all, you people out there Go on and love me, well I don't care (Oh, it's lonely at the...) (Oh, it's lonely at the...) Oh, it's lonely at the top Oh, it's lonely at the...
