

Simple Songs

Big Bad Voodoo Daddy

I said those simple songs about simple things
Is what makes my baby swing
She's got eyes like an angel, smiles like a devil
Lord, you know she's the real thing
So when my baby's not around
The whole world hear's my poor heart pound
Singing "Lord you know, she's the one for me"

I said, simple songs about simple things
Is what makes my baby swing
She's got eyes like an angel, smiles like a devil
Lord, you know she's the real thing
So when my baby's not around
The whole world hear's my poor heart pound
Singing "Lord you know, she's the one for me"

When I see that crazy smile
Makes it all well worth while
Love that girl I won't deny
I couldn't hide it if I try

So when my baby's not around
The whole world hear's my poor heart pound
Singing "Lord, you know, she's the one for me"

So at the end of the day I can clearly say
"She's the only one for me"
No one else I'd rather see
Nowhere else I'd rather be
Than hanging with my baby tight
Morning, afternoon & night
Love that girl I won't deny
I couldn't hide it if I try

So when my baby's not around
The whole world hear's my poor heart pound
Singing "Lord, you know, she's the one for me"

So at the end of the day I can clearly say
"She's the only one for me"
No one else I'd rather see
Nowhere else I'd rather be
Than hanging with my baby tight
Morning, afternoon & night
Love that girl I won't deny
I couldn't hide it if I try

So when my baby's not around
The whole world hear's my poor heart pound
Singing "Lord, you know, she's the one for me"

Singing "Lord, you know, she's the one for me"
"Lord, you know, she's the one for me"
"Lord, you know, she's the one for me"
