

Huggin & Kissin

Big Black Delta

Giving me love
All on your canvas
All of the girls
All on the mattress

Lock the door
Dim the lights
Bottoms up
I'm in love
And you too

You're the best I can do
You're the best I can do
You're the
You're the

You're the best I can do
You're the best I can do
You're the
You're the

Pushing and shoving
Hugging and kissing
All of the time
All over again

Lock the doors
Then we'll die
Bottoms up
I'm in love
I love you

You're the best I can do
You're the best I can do
You're the
You're the

You're the best I can do
You're the best I can do
You're the
You're the

And she told me
That she loved me
And she gave me my money back
And she told me
That she loved me
And she gave me my money back

And she told me
That she loved me
And she gave me my money back
And she told me
That she loved me
And she gave me my money back

And she told me (you're the best I can do)

That she loved me (you're the best I can do)
And she gave me my money back (you're the, you're the)
And she told me (you're the best I can do)
That she loved me (you're the best I can do)
And she gave me my money back (you're the, you're the)
