

I See Fit

Big Black Delta

Here comes the Bible
Long overdue
And I will stop
When I see fit (I see fit)

Soon this man in my bed
The courting saved
And I'll stop
When I see fit (I see fit)
When I see fit

Ooo I don't know

Here comes the Monster
Long overdue
And I'll stop
When I see fit (I see fit)

Soon this man in my bed
The Glory's the saved
And I'll stop
When I see fit (I see fit)
When I see fit

Ooo I don't know
