

## Roost

### Big Black Delta

Sweet  
Sweet darling  
Either call your friends to play

Or lay me aside  
'Cause my ride is taking tomorrow (ohh)  
Burn for hours and days  
Louder than a megaphone

Wearing your shoes  
I aim to roam, stealing wonder (ohh)

I'm coming home  
Home to roost  
Tonight  
I've grown to love you

I'm coming home  
Home to roost  
Tonight  
I've grown to love you
