

Mine

Big Boogie

I'm bigdude, aye I'm bigdude
I'm bigdude to my uhh lil yeah yeah
It's like I was chasing shawty for so many years (so many)
I'm like damn when she gone give me a chance
You heard me, (come fuck with me)
I just stayed back you feel me I did my distance

I let her see wassup with me though (bigdude)
Bigdude You know you mine love (she love it here)
Shawty you special to a nigga like me
I know you picky with niggas
But I'm so grateful to be (grateful to be)
I chased you down to get your attention
But patience the key (mhmmm)
I'm a celebrity thugging so I don't bother the streets (I'm bigdude)
You got a nigga with money it ain't no problem with me (that's boog)
I let you drive whatever cause it ain't no problem with me (that's yo
urs)
I fell in love with you because you kept it solid with me (ooooo)
You coming different from others you stepping harder for me (harder)
These bitches hate you, they texting your phone off fake pages they w
anna date you (hating)
I know that your ex he don't like this shit, shit I'll hate too(he ug
ly)
Could have been had you some years ago I just didn't take you (mine)
When I fuck up I got MIA so I can't face you (bigdude)
You ain't never been to happy land so let me take you (psshhhh)
I ain't trying to feed you basic nothing let me steak you (steak)
Niggas constantly fucking you over, so let me cape you (man come here
)
I know that these niggas don't like me because I date you (bitch I'm
bigdude)

I got thugs in my eyes(thug) I'm the type of the nigga that gives you
hugs when you cry (hugs)
When you sliding with me I be blushing butterflies (ooooo)
You can't keep it solid then I'm sorry girl you fired (roll)
Keep that blinky on me if I'm dumping then you drive (fa)
See my ex in public I keep going don't say hi (fuck her)
You don't vent because you feel like they left you to die (told me)
Lift your head up put your lashes to the sky (look up)
I told you for life before, we got a whole life to go (gone)
I ain't trying to love nobody new that's some you got to know (no no)
If the love ain't you it ain't focused then you got to go (got to rol
l)
This shit for life and guess the whole globe

Girl you got my all (oooo)
Ever time a monkey on my back you see me stressing girl you take it o
ff (girl you take it off)
I'm not perfect but I'm trying for you, I was raised as a dog (dog)
I use to lie to cover pain up, ooo it wasn't my fault

You got my all, ouuuu girl you got my all
Ever time a monkey on my back you see me stressing girl you take it o
ff
I'm not perfect but I'm trying for you, I was raised as a dog
I use to lie to cover pain up, ooo it wasn't my fault (it wasn't my f
ault)
For life love (for life love)
