

## Twelve Four

## Big Boogie

Bigdude, big business mhmmm  
You know I pop my shit all I want too  
I'm rich as fuck right now nigga  
Bigdude

I talk my shit because I'm chosen (chosen)  
I can pop my shit but I'm humble because I'm golden (golden)  
Ap that bitch light up like Christmas, status done froze me (right arm)  
I took off right off In they face them lil bitches be nosey  
Any ex that played fuck em feed her beans it's over with (over with)  
She can't never look my way again new bitch be loaded  
I got rich and showed it at concerts kj gone hold me (lil cousin)  
Pinky ring like butter baby spent 10 on Pinocchio (right hand)  
Baby I'm so high my brain so fried I can't renew it (new it)  
I use to fuck with niggas I grew up with they blew it (fuck them)  
So sprung off that kush that shit so strong sometimes I chew it (that woota)  
Bad bitch in that maybach bend over that pussy jewish (bend it)  
Biggest fact is loyal pussy mhmm them be the noise (noise)  
Blinky on the stage while I'm rocking they don't even know it (GLRDDDDDD)  
Members got them glees in they skinnys they don't even show em  
Every opp that fly strange in the sky we don't even grow em  
Scat pack so wide sitting bowleg that bitch roaring (vroooooom)!  
What you know about wrecking foreigners on purpose still don't tow em  
17 cars all black sitting up all em forges (mine)  
Kicked the bitch out of frayser  
Call me out my name now she back normal (on watkins)  
She gone give me top, and it drop she not boring  
You can do me nasty all you want baby I'm yours  
Baby this that baccarat, baccarat I'm not normal (grown man)  
Shoot that club up fafafa I'm performing

Opps skinny they need to eat some  
My old teacher front row my shows think I just seen one  
You see these chains around my neck Allum mean some  
We go on missions everybody die don't breath nothing  
Everybody bleed some (she gone beat)  
My lil bitch gone beat some  
I told her beat her dick come spread it let me beat some (let me beat)  
My red bitch get in her feelings when she don't see John  
I fuck with her told her lay back bae let me eat some  
My brown bitch the golden dancer let me see some (bounce that ass)  
Bounce that ass for daddy ride dick until my feet jump  
Jump in that SRT 300 bet I leave some  
I'm that nigga now look bitch and I don't need none (bigdude)  
Hoe slow down speed bump

She gone give me top and it drop she not boring  
You can do me nasty all you want baby I'm yours  
Baby this that baccarat, baccarat I'm not normal  
Mhmmm shoot that club up fafafa  
Mhmmm bigdude
